Kazu : Hi, Judy. Can you help me study for the English test?

Judy : Sure, Kazu. When do you want to meet? How about tomorrow?

Kazu : I cannot meet tomorrow because I have a dance lesson. Can we meet on Wednesday?

Judy : I'm going to meet Sally that day.

Kazu : I see.

Judy : Sally and I are going to study for the math test. We think math is very difficult, so we are nervous...

Kazu : Well, I have an idea! I'll join you. I'm good at math, so I can help you and Sally.

Judy : Oh, that's a great idea! After we finish studying math, we can study together for the English test.
